

**Candidates for a
Progressive City Council**

Joseph H. Demondini

George E. Metzger

Russell J. Blawie

The Future City Council

SINCERITY

Throughout this season I wish to extend my **SINCEREST APPRECIATION** for the wonderful and sincere recognition given me during my campaign. I could always be counted on for the uncompromising commitment and the continual support of all my supporters throughout this year.

I will always remain **INDEPENDENT** and pledge myself to be a servant of **ALL THE PEOPLE**.

God willing, I hope to serve you as a member of your City Council for the coming four years, assuring you I will remain **UNBIASED** and **WITHOUT PARTISANSHIP** to those who opposed me in my candidacy.

Respectfully,
George E. Metzger
Candidate for City Commissioner

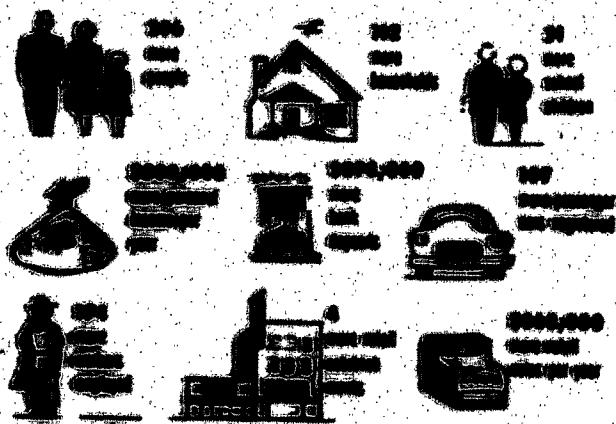

EMPLOYMENT, WHERE ARE THE FACTS?
The survival and progress of the Community depends on the economic stability, which is based on **SUPPLY AND DEMAND**. At the present time there is no demand for labor or resources in MAY ST. 1,000,000 due to the lack of industrial development. Consequently, a great portion of our population has been unemployed with unemployment statistics.

We cannot afford to sit idly by by accepting substandard jobs.

We must do our part by creating industries to

provide employment, which will create job opportunities for many people. Furthermore, a plant employing 300 workers will

result in the following:

IMMEDIATE IMPROVEMENTS

- An adequate and equal distribution of water throughout the entire city.
- Build and operate an additional fire station in South Bay.
- Provide a site for New HIGH SCHOOL.
- An immediate audit of the City Finances.
- Reduce the current cost of transportation.
- Improve the support to our Public Schools and Elementary Institutions.
- Provide drainage facilities.

THE ABOVE CAN BE ACCOMPLISHED QUARTERLY FROM CURRENT RESOURCES.

CIVIL RIGHTS RESPECTED AND PROMISES FULFILLED

Throughout our term of office, we will at all times be governed by and in accord with the will of the majority of the people. **CIVIL Rights and privileges of All the Citizens will be respected and strictly adhered to, with no discrimination towards anyone.**

The City Hall, the schools, and City Facilities will belong to the people and they will share in the operations of our Community. All promises made by us will be fulfilled and carried through to completion.

AT NO TIME, regardless of the legality of the issue, will a bond issue be proposed without the VOTING OF THE PEOPLE.

We will encourage and assist all Civic, Religious, and Veterans' Organizations in our Community, and all facilities will be available to these organizations, who tend to better our City.

Vote This Team! Election Day — Tuesday, May 14th

We kindly ask for your support and vote in the City Primary Election May 14th. We will serve you for a better and Progressive Community. We will be your friend, unbiased commissioners and will respect the will of the majority and the lawful rights of All of the People, treating everyone fairly and impartially.

SIGNED AND SWORN BY-

JOSEPH H. DEMONDINI

Candidate for Mayor

GEORGE E. METZGER

Candidate for Commissioner

RUSSELL J. BLAWIE

Candidate for Commissioner

INAGERS SPEND HOCKEY SICK \$1 MILLION ON '56

The current model - well fed - it does anything else for him. It has made considerable and complete recognition a pleasure of Government - The Government.

more money put out our in 1956. Associates to make their agents paid - and the sport - the managing of nice little offices, agents for themselves, not any business or service, a variety of activities can be joined together in one office. Incorporated business also on many telephone exchanges. Mr. Bishop, local for Southern Bell.

day of our concern are additional telephone or lines in the bedrooms of our agents. It gives them of comfortable equipment, residence, for their own name in telephone directory.

Professional families factors have added separate line to the ten agents to insure against the continually signal sounding from my love connection to framework over the telephone.

Southern Bell telephone, but the market is here to stay.

JOHN JONES

Bay St. Louis To Participate In Homestead Program

Bay St. Louis has entered a Program that will have something beneficial for every citizen of this area. It started to a successful movement.

We're speaking of our participation in the 1957 Homestead Development Program, being conducted on a nationwide basis through the Mississippi Economic Council.

When volunteer citizens raise

the overall goal of this area.

Let's all cooperate in making the program a real success. Our community will be a better place to live and make a living, whether we win any of the cash awards or not.

Report, see that 127 associations are in the Program. This is good news for Mississippi. It means that we are still independent citizens participating in community and in ourselves; that we do not need some government model, or professional "designers" to tell us our weaknesses and how we can and should correct them.

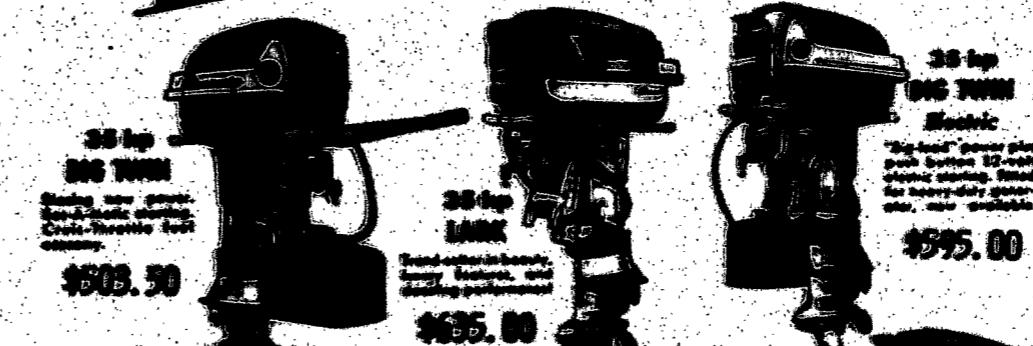

Our projects for the year have been put down in black and white. All are worthy, and not beyond the reach of sensible, progressive citizens working for

the overall good of this area.

Let's all cooperate in making the program a real success. Our community will be a better place to live and make a living, whether we win any of the cash awards or not.

TIME FOR SUMMER FUN WITH A . . .

GENERAL STORE, destroyed in June 1955 by the high tides and Hurricane Bertha, was the scene of much pleasure for people and visitors alike as is evidenced by the above photo.

EDWARD TURBURN, chairman of the Parks and Buildings Commission, which erected the pier in 1954, announced this week plans to begin the reconstruction of the pier shortly so that it is ready for next summer.

I told me when Arlington Cemetery was established, who I and how many persons are buried there: I established June 15, 1864 on some two acres of land over the Potomac river, originally belonging to George Washington's Castle, grandsons of Martha Washington, and later Robert E. Lee. The cemetery is administered by the Department of the Army. As of January 1955, there were 200,000 military, and civilian persons buried there of whom 4,700 are unknown. On a high hill overlooking the river and resting upon Washington's beautiful memorial bridge, is the Lee-Cleve House, with its white-painted columns in Dutch style architecture. A feature is the Tomb of the Unknown Soldier, with its amphitheatre, built in 1921. The tomb bears the famous slogan "Here rests in honored glory an American Soldier but not to God." Other memorials include the "Temple of Mars"; The U. S. N. Marine Memorial; and the famous Two Jests statue of the raising of the U. S. Flag on Iwo Jima, done in 1953 by the U. S. Marine Corps at a cost of \$200,000.

and where is the so-called "Guns Clock"? I have heard that the Guns Clock is in the Lobby of the Department of Commerce, known as the Population Clock. It's mechanism averages population growth in the U. S. A. One set of scales shows average to indicate the number of births, which runs over a million per year; another indicates shows average increase in population per person every 10 seconds; that an immigrant arrives every 2 minutes and an emigrant leaves every 24 minutes. The clock is adjusted at intervals by the Census Bureau to allow for actual population changes from the averages used in the clock.

Lower Dam the longest in the world? Highest completed dam in the world at 728 feet. More than 100 feet high, still under construction, is said to be 700 feet

LOCAL BOYS NOMINATED TO PLAY IN STAR HIGH SCHOOL FOOTBALL GAME

William, son of Kenny and Nancy Reed, and Eddie, son of Eddie and Eddie, have been nominated to play in the game, 38 on the South Rebel team and 38 on the North Yankee team.

Final selection of the players will be announced within the next ten days.

Tenket In Final Finals

Tenket, a former Bay resident and a student at College, placed second Head Coach of the 2nd Annual District Cross Country Meet in Lansing.

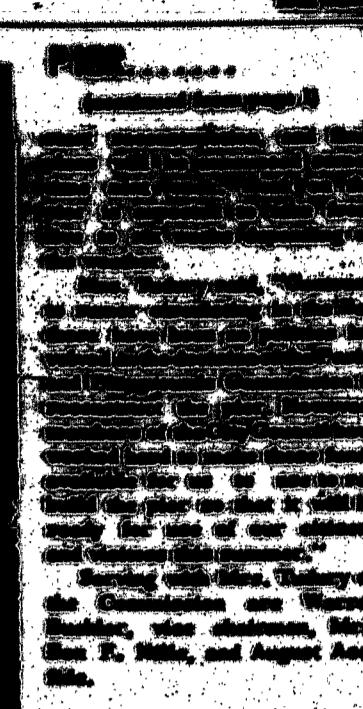

After winning in Charlotte, again on "Today Show," in which he demonstrated his antecedents of the cross country running which he had learned while

in Danville, Jr., son of Mr. and Mrs. Alvin M. Danville, his parents live at 401 1st St., Bay St. Louis, Mississippi, and his mother is Mrs. Danville, wife.

BOOKS, PAGE 200

To Distribute 2,500 New Phone Books

A measure of the growth of Bay St. Louis and surrounding communities in the last four years is reflected in the telephone directory being published today in local publications.

Delivery will take several days but should be completed May 11, 1967.

Approximately 2,500 numbered entries now replace names and addresses, one page, two lines, one, and two lines.

It is noted that the telephone directory has been expanded to include names and addresses of Bay St. Louis, surrounding towns and unincorporated areas.

It is noted that the telephone directory has been expanded to include names and addresses of Bay St. Louis, surrounding towns and unincorporated areas.

It is noted that the telephone directory has been expanded to include names and addresses of Bay St. Louis, surrounding towns and unincorporated areas.

The new telephone directory has many new and classified listings and other helpful information. It is easily distinguishable from the old green telephone book by its cover which is in color with a blue background. Through these changes have been made in the new telephone number book to allow for future expansion.

The classified section - yellow Pages - contains listings for business telephone subscribers under 100,000 business alphabetical according to their business or profession.

The variety of classifications describing products, services, professions and businesses provides a convenient ready reference guide when you want to locate a firm or individual. Mr. Dolan pointed out, "Householders can find directory to discover May 10th, and that the new one is indicated so when looking up telephone numbers. Looking up numbers helps avoid the possibility of getting wrong numbers and saves time for both the calling and called parties.

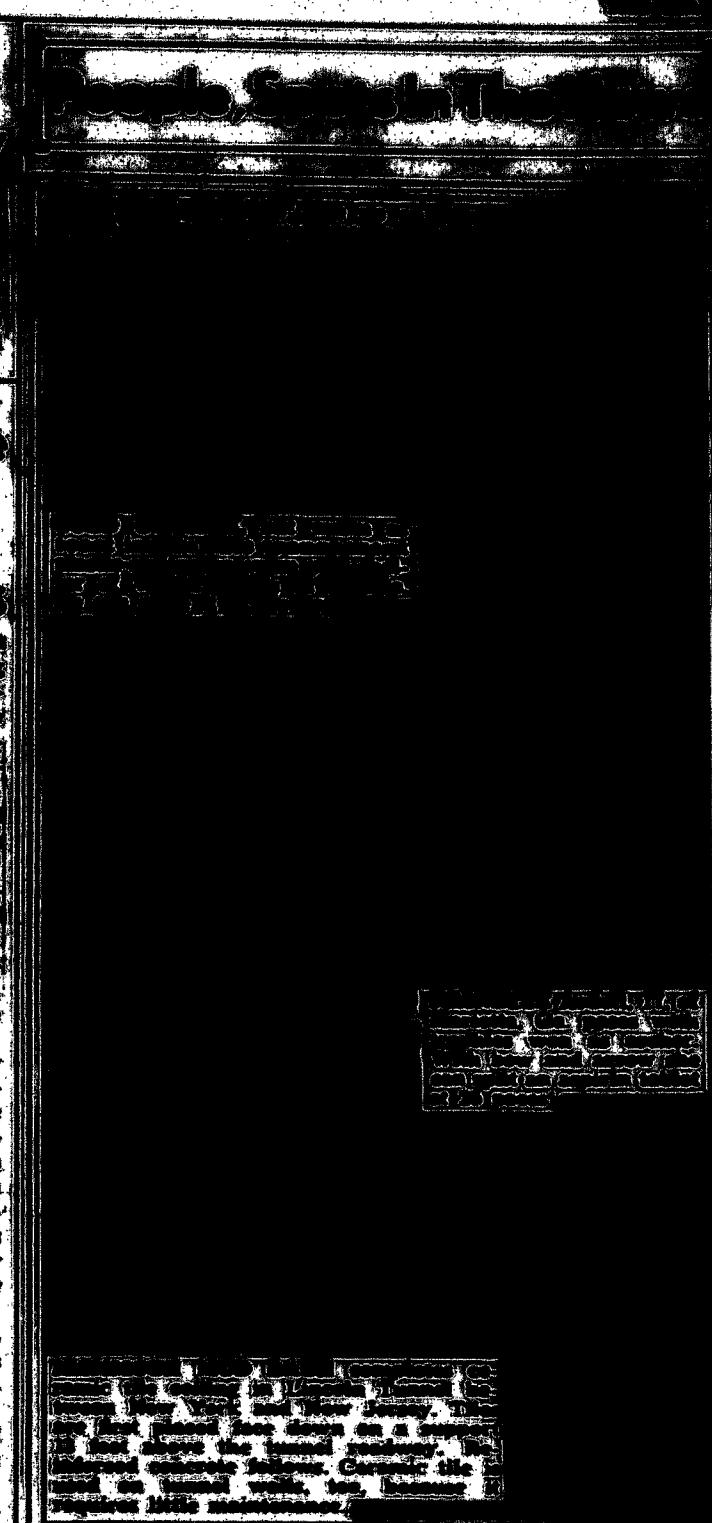

"Information" should be called only when the number you are seeking is not listed in the directory.

It is important that the new directory not be used until 10:15 A.M. Sunday, May 13, 1967, since all telephone numbers at Gulfport, Pascagoula, and Bay St. Louis will be changed to coincide with the change from manual to Bell service.

VISITING MEMBERS OF KC COUNCILS TAKE PART IN DAY LONG INITIATION

Visiting members from 14 of the Councils along the Coast, the area, and Louisiana took part in day long initiation ceremonies with Bay St. Louis Pace in the Council on April 20.

Bill Morrissey, Grand Knight of the local Council, said that about 300 attended the initiation with 66 candidates for various degrees Initiated by Deacon Jimmie G. Gandy, Bishop G. C. Conwell, and Bishop G. C. Conwell, Outpost.

The Knights met at the Hall on Main Street for registration at seven A. M., followed by a parade from the Hall to the Lady of the Gulf Church, where they attended Mass in a group at 10:30 A.M.

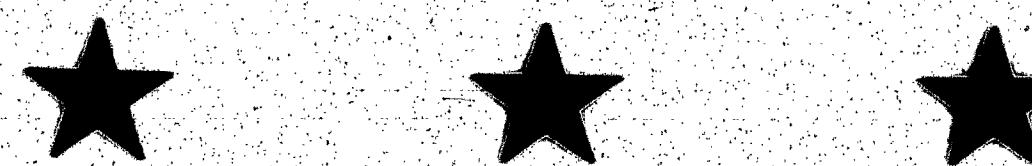

Meeting in the parlor were Parish Deacons Knights and the Deacon Knights.

Knights who served at the Hall following Mass, and administration of the degrees began about 11:30 A.M.

Three degrees were honored at the Hall during the afternoon with the class distinctions of three charter members of the Pace in the Council, organized 1956, as their Class names. The charter members honored were Anthony Laemmle, Ralph Blaine and Joseph Morrissey.

COMMUNIST TRIMES BANNER SPONSOR COMMUNIST

As election draws near and our campaign comes to a close, it has been a pleasure to present to the public our record of accomplishments during the past four years.

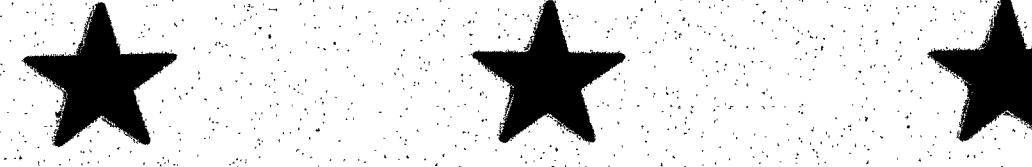

We have tried to conduct our campaign on a high plane without casting any stones, slurs, or innuendos at our opponents.

It has been a genuine honor to have served you in our positions and we earnestly feel that we have tried to merit the trust which you have placed in each of us. If you believe that we have served you honestly and well, then we feel that we should be entitled to another term. We hope that we are not presuming too much in this statement.

During the past six weeks we have tried to present to you through the press and in public statements all of the facts and figures which are reflected in our public records. These facts and figures do not lie! It seems strange that not one of our opponents has visited the City Hall during this campaign to check your public records in an effort to refute the facts and figures that we have presented in our record of accomplishments.

The entire theme and substance of our opponents platform has been a series of wild promises, but to this late hour they have utterly failed to answer the often asked question, "How can these things be done?"

We wish to publicly thank the many people who have given us encouragement during this campaign by saying, "You fellows have done a good job and see no reason to make a change." We sincerely hope that on next Tuesday, May 14th, you will give us your vote and support and re-elect us in the first primary.

SJA May Festival Draws Big Crowd

A colorful Encyclopedia comic book was the rage at Memorial St. Joseph's Academy May evening as a benefit performance of the May Festival presented by the students.

Titled "Jesus Lives," the book was especially a representation of Jesus and not of people.

The Morris, a boarding school for girls, organized a representation of the living gospel, with Mother C. Morris, as well as Mrs. C. Morris, as the principal speaker. The assembly was held in the auditorium of the parish church.

After the Mass, there followed a service of thanksgiving and the formal procession formed.

Following the service, the majority of the students joined the Morris, and on the platform were Rev. James Doherty, Superior; Rev. John McDonald, and Rev. Frank Gannon.

Joseph Lester and Daniel Lester, dressed in white satin covering plumed hats, served as page boys, carrying the royal robes.

The middle and older classes were well dressed in soft pastels and spring flowers. Their names were all entered in the program. Each child and teacher accompanied by a large people, the girls wearing pink gowns to match her dress, and little girls white dresses.

Ladner Leads Raid On Clubs Saturday

Montreal Council and the 27 city cities in December. All were suspended.

In Thursday's raid, 204 men from various departments of the City, Sheriff and other constabularies and 100 plain-clothes officers.

PLATEAU
Montreal police officers swooped over the Grey Eagle Club, located about two-and-a-half miles north of the original Half-Way Club, located about 200 yards south of the other establishment.

Police said last evening Sheriff Lester said today, that Mrs. Catherine Thompson, president, operator of Grey Eagle Club, charged with selling beer without a state-pottery privilege license, and Marion Giv, Half-Way Club president, charged with illegal possession of intoxicating liquors and selling beer without state pottery or county privilege license.

MILITARY ON BOARD
Both were released shortly afterwards on posting bonds of \$200 for Giv and \$300 for Mrs. Thompson, the sheriff said.

A hearing on the charges will be held June 1 at 3 p.m. before Justice Tim Jolley of the Court C. W. Brewster in the Arras Army camp community.

Justice Brewster presided over trials in January of four club operators arrested on illegal possession of liquor charges following raids by the Montreal

Bay High Graduation To Be Held Tuesday In Gym

Graduates will be Tuesday, May 21, 1968 P.M. in Bay High gymnasium. The Rev. William Scattard will give the invocation, and music will be provided by the band at the high school, led by Mr. Lefebvre.

Included in the program will be the presentation of awards to "Men of the Year," by Mr. McGehee, accompanied by Mrs. Gert T. Smith at the piano; invocation by the Rev. A. M. Miller, pastor of St. Michael's Church; "Praise Ye the Lord," by the choir under direction of Marcel Labrecque, musical director at Bay High; address by Mr. Klapetek; "The Lord's Prayer," Bay High choir and responses.

Valentine Day, a a Valentine's address "Gates From High School" will be a featured part of the program.

Kathy Tschell, former Bay St. Louis resident and current student at Marquette College, (Continued on page 2)

Limit Trapping In Lake Erie

The Montreal Council Committee has prohibited trapping in all waters west of U.S. Highway 20 and all waters north of U.S. Highway 20 between Lakes Huron and Erie in Ontario, Canada.

Violators will be subject to the maximum punishment and the maximum fine imposed under clauses of the law, the committee announced.

James Cannon, chief inspector of the commission, said that he had orders to seize traps found here caught violating the ordinance. Other Commission officials interpreted. All traps caught will have note of legal date which is 40 to the pound.

Inspector Cannon also said that he hopes the fishermen will take proper notice of the above regulation as the committee desires the cooperation rather than to be forced to prosecute.

Phones To Dial Sunday

A new mode of communication for residents of Bay St. Louis will be ushered in early this Sunday morning.

Exactly 1,000 A. M. switch will be thrown in the new telephone building, and a person's index finger and a dial with ten holes in it will become the key to reaching your neighbor across town or a relative across the country.

"Everything is instantaneous", assured J. C. Dubois, group manager for Southern Bell at Gaspé. "For the answer from Montreal to dial 0."

The traditional pay-dialing company will be a victim to months of work by telephone company engineers.

Bishop To Be Feted By Local Parish

The Rt. Rev. Msgr. Joseph B. Scattard, D.D., first auxiliary Bishop of the Diocese of Hamilton, will be honored at a reception given by Our Lady of the Gulf Parish Sunday, May 19, at 8:30 P.M.

The Rt. Rev. Michael McCarthy, pastor of Our Lady of the Gulf Church, said that the public is cordially invited to attend the reception which will be held in the auditorium of St. Joseph's Academy.

This will mark the second time that Bay St. Louis will be officially honored with a reception for a Bishop, the first having been the late Bishop Lee Foley, a native son.

Bishop Scattard, a native of Welland, Ont., received his appointment from Ms. Bishop Pope Paul VI, November 5.

The son of Mr. and Mrs. John Scattard, he was born in Welland July 24, 1904 and received his early education in parochial schools there.

He graduated from the North American College in Rome and was ordained to the priesthood on November 6, 1930.

Warren Carver Presides Over Sidelines Banquet

Mr. Kenny Thompson, baseball coach; Quentin Corriveau, basketball coach; James Brooks, swimming coach; Thomas Kilduff, basketball coach; Michael Deacon, men's swimming; Willye Shatto, girls' basketball; Kenny Antipietro, men's volleyball.

Letters were awarded Kenny Antipietro, Alfred Vassar, Willye Shatto, Joe E. LeLacheur, Michael Deacon, Vincent LaFave, Richard Poole, William Somers, Roger Stover, Charles Paquet, Quinton Gervais, Michael Deacon, David McNeilly, Wayne Shatto, and Eddie Davis. Memphis Pat, Steve, Alvin Davis, Edward Foley and Chetverikov Vassar, David Levy and Billie Deacon received letters.

Coach Warren Carver awarded special basketball awards and trophies to Willye Shatto, basketball players; Steve, Richard Poole, Dick, Michael Deacon, men's swimming; James Brooks, men's basketball, and John O'Meara, men's swimming.

Letters in basketball are John Deacon, John Somers, Kenny Thompson, Willye Shatto,
